4. *Searches by network members*

1. Research projects

- „Lebensborn'-Kinder in der DDR. Erinnerungen im Spannungsfeld zweier Diktaturen" Workshop am 11. Mai 2011, 9.30 Uhr - 18.00 Uhr TOPOI-Haus der Freien Universität Berlin, Hittorfstr. 18, 14195 Berlin Anmeldung unter alice.hailperin@fu-berlin.de. For further information see: <http://www.childrenbornofwar.org/Portals/7/public/Flyer.pdf>.

2. Conference presentations and sessions

- The network will be presented at the annual conference of the European Survey Research Association with a presentation on children born of war: “Using participatory methods in hidden populations - experiences from an international research project”, Session: Participatory survey design. Further information: <http://survey methodology.eu/conferences/lausanne-2011/presentation/314/>

3. Publications

- (forthcoming) Arne Øland and Ingvill C. Mochmann, Children of Danish mothers and German soldiers in Denmark 1938-48. In: Lars Westerlund: Lapsiasiat – The Children Left Behind.

4. Searches by network members

(same is in Newsletter No. 3 2010 – members are still searching, so if you have any information, please contact us)

- Another network member is looking for her parents. The mother lived in Denmark during WWII and the father was a British Merchant Seaman Officer. Pictures of mother and father are attached below. If you have any suggestion on how to proceed please contact ingvill.mochmann@gesis.org or <mailto:inge-lise1@christensen.mail.dk>. The mother's full name and last address in Copenhagen is known.

For continuous updates, please see network pages. The next INIRC Newsletter is scheduled for end August 2011. Please send information to be included in the next issue to ingvill.mochmann@gesis.org by August 20th 2011.
